OSHA Docket
Docket No. H-122
Room N-2625
200 Constitution Ave, N.W.
Washington, DC 20210

To Whom It May Concern:

I am opposed to any increased regulation of my business, including smoking limitations. You should be fair to businesses when you contemplate these regulations.

I am in business to make money, not to turn customers away. If I can run a business for 6 years, I can surely figure out what is right when it comes to smoking. Rules and laws like these make my life more difficult.

People still have the right to smoke. Cigarettes are now against the law, or is that next?

I would appreciate OSHA's understanding on this.

Sincerely,

Brian Duffy
